

# ORCHARDS CLUBHOUSE SPONSORSHIP PACKAGE

THE ORCHARDS

## Splash Park Electrical Box!

**\$8000 FOR 3 years**

As a community, we are always looking for ways to connect; our Splash Park space is used all year long. In the summer, it sits perfectly next to our splash park, visible by everyone who walks through. In the winter, it is at a perfect location as we turn the splash park into a beautiful little pleasure rink for our community to skate around on. Whether community members are lounging around in the summer, or gearing up for a winter skate, this prime location allows for your business to be visible all year long.

Sponsorship benefits would include:

- Professional wrap around the box in your logo/design.
- Your business included in our Birthday Gift package
- Your business included in our “Welcome Hub” gift
- Social media call outs for your support and sponsorship. Our team will be creative to promote your business and products.
- Logo and link on our website: [www.orchardsra.com](http://www.orchardsra.com)
- Opportunities to represent your organization at most ORA events (come join the fun!)
- Rink Board Signage
