**Orchards Residents Association**  
**Report of the Orchards Residents Association Board of Directors**  
**For January 1, 2025 to December 31, 2025**

### **What is the Orchards Residents Association (ORA)?**

The Orchards Residents Association was incorporated as a non-profit corporation in November 2010. The ORA is incorporated as a non-profit corporation under Part 9 of the Companies Act of Alberta and membership in the ORA is mandatory for each landowner in the Orchards. The facility is fully staffed, including a General Manager, Jaime Dowling, who is responsible for managing the day-to-day operations that are the responsibility of the ORA. The ORA team maintain the facility & park amenities to their high standard through exceptional management of operations & maintenance practices.

### **Board of Directors**

The ORA Board of Directors currently consists of three (3) Brookfield appointed directors and seven (7) resident directors. An election will be held at the 2026 Annual General meeting for up to seven (7) resident directors. The Board meets on a regular basis to: ensure policies are properly set; review the annual operating budget; be the voice of fellow residents for ORA-related matters; provide input on The Club House, and participate in community events. During Brookfield's term of management, the power of the Board is limited. Brookfield Residential provides, at no capital cost to the ORA, certain amenities throughout the community. These amenities help enhance our community and are maintained by ORA, now and into the future.
